

For Malaysia Business

Cloud Payroll for Startups and SMEs

Financio Payroll is a feature-rich cloud solution designed to simplify payroll processes for small & medium businesses. With its user-friendly interface and mobile app, you can easily manage payroll, employees' profiles, attendance, leave, and claims anytime, anywhere via any device. Leave your tedious payroll matters to us, and focus on growing your business.

WHY FINANCIO PAYROLL

- **One Stop Payroll Solutions**

Financio Payroll combines claims, payroll, employee profiles, leaves, attendance, and scheduling in one platform for easy payroll workflows.

- **Compliant with Local Regulations**

Complies with LHDN, KWSP, EIS, PERKESO, and HRD Corp, and provides automatic updates with the latest tax and labour law requirements changes.

- **Accounting Integration**

Integrate payroll with Financio Accounting, eliminating the need for manual data entry.

- **Financio Payroll Mobile App**

Leave management, expense claims management, and payroll management can all be handled through the mobile app.

WHO IS FINANCIO PAYROLL FOR

Financio Payroll is ideal for small and medium businesses seeking streamlined payroll and HR processes. Our LHDN-compliant system simplifies management, reduces burdens, and empowers growth. Trust us for easy, efficient, and accurate payroll tax handling.

Payroll Management

Ensure accurate salary calculations, save time, reduce paperwork, and enjoy seamless e-payslip creation, tax submissions, and comprehensive reporting in one place.

Leave Management

Apply for leave, check balances, and receive approvals/rejections via mobile app. Integrated with payroll and timesheets for precise pay runs.

Expense Claims Management

Snap a photo of your receipts, submit claims via mobile app. Approvers can conveniently review details and documentation on smartphones!

Time Management

Clock in and out of work easily via our mobile app. Generate detailed reports on overtime, lateness, and more with a few clicks.

Service Charge

Own a café, restaurant, or hotel? Use Financio Payroll to calculate department service charges and include them in the monthly payroll.

Employee Self-Service

Enable employee self-service to profile access, data updates, leave application, balance check, and view payslip online.

Multi-Currency

Set up, track, manage, and perform all international payroll tasks from one secure portal. Ensure precise global pay runs with accurate exchange rate calculations.

Dashboard

Centralised view of company announcements, pending actions. Track payroll/HR metrics and trends effortlessly, eliminating the need for more reports and paperwork.

Accounting Integration

Supercharge your payroll with seamless Financio and ABSS accounting software integrations, eliminating manual data entry and accelerating accounting journal entries.
